

Room 17 officially opened in November with a performance of our newly commissioned school Anthem, 'We Are One'.

**CREATIVITY
WITHOUT LIMITS**

Room 17 is our Creative Community Hub, a multi-purpose space including our Art Studio, Teaching Kitchen and new coffee space. It extends our passion for food and creativity to our whole community. It celebrates our 'diverse and glorious' children and families.

BRAND ACTIVATION

Mascot and Animation workshops

Our partners in the Graphic Design Department at Leeds Beckett University worked with Year 4 and our Youth Action Group to develop a toolkit of resources to help get the word out about Room 17.

Children from Year 4 visited the university where they used stencilling and RISO printing to create a Room 17 Exhibition.

YOUTH ACTION GROUP

Our Year 6 Role Models and some of our ex-students now at High School, have been meeting to help us form the creative direction of Room 17. They are preparing to deliver workshops to their peers. What is Room 17 for them?

"I decided to help with Room 17 to help inspire more young people to try new things and stay active and creative." "Room 17 has helped me to understand that I am in a peaceful community and that people recognise this diverse and beautiful school."

A place to...
share food

Zest@Room17
Join us in this amazing community space to cook, eat and chat.
(open to the community)
Thursday 8th, 15th, 22nd May & 5th & 12th June
1:30 - 3:00 pm
Room 17, Allerton CE Primary School, Lingfield Approach, Leeds, LS17 7HL

Or speak to Mrs Elliott in school

zest **Room 17** **Making Leeds a better place for everyone.**

It's exciting to have a new partnership with Zest, Leeds, who bring all their expertise to offer cooking sessions with our parents in Room 17.

WELCOME TO ZEST

SO WHAT'S NEXT?

Next year there will be more opportunities for families, adults and young people to get together in Room 17 to cook and get creative. It's going to be a lot of fun!

MINISTRY OF FOOD
♥ JAMIE OLIVER

Two of our staff, Mrs Elliott and Mrs Reehal, have completed training with Jamie Oliver's Ministry of Food. This will bring exciting opportunities to pass on our love of cooking fresh, healthy food to children in our school and community.
